Gabion Infill Project Tour

676 West Monument Street, Colorado Springs, Colorado

4:00- 5:00 p.m.

Friday, September 18, 2015

The developers of this project are hosting a tour of this approved multifamily infill project at the above date, time and location. Three or more members of the following groups may be in attendance as invitees:

- Colorado Springs Infill and Redevelopment Steering Committee
- City of Colorado Springs Planning Commission
- Colorado Springs City Council

This site and project are not the subject of any ongoing or pending quasi-judicial land use actions under the purview of either the Planning Commission or Council. The only purpose of this event is to tour an approved infill project nearing completion.
